1) 7th SME fair Annex Leather Limited is selected as a Best Stall from 200 stalls

2. 1st Jatioy Shilpo Mela awarded, 2019 as a criteria of small Industry in Bangladesh from Industry Ministry.

Market Potential:

The products have unique feture of Annex work, workmanship, aesthetic look and finishe. As a result Annex Leather Goods have good market and demand in whole Bangladesh. The main export markets are USA, Japan, France, Brazil, Canada and Italy.

Basis and Presumption:

- 1. The production is based on a single shift of 8 hours per day and 25 working days in a month i.e.300 days in a year.
- 2. The unit is expected to work at 70% efficiency in the first year, 80% efficiency in the second year and 90% efficiency in the third year.
- 3. Labor will be engaged on monthly basis keeping in view of the present average rate prevalent in Bangladesh.

Technical Aspects:

Process of Manufacture (Out line only):

Different units manufacture the products by different methods. However, the main

operations are pattern making, economical layout of patterns, clicking of components,

skiving, and decoration by embossing machine or hand, pasting, folding, coloring,

assembling, stitching, fitting and finishing.

Quality Control and Standards:

Specific standards are to be followed by Annex Leather quality control officer. As

mutually agreed between the manufacturers and the buyers. Rigid quality and standards are

to be followed in case of exports. The first and the foremost duty should be to maintain

quality and workmanship especially in case of hand stitching.

In case of export of Annex leather goods, most of the manufacturers follow the

buyer's specification i.e. sample, design, drawings, thickness and quality of raw materials,

color, workmanship, quality of thread etc. BIS has published several qualifications on leather

goods, which may be consulted for guidance.

Success Criteria and Plan:

- 1. 1st of all we want to make leather goods manufacture production unit within short time.
- 2. 2nd we want to establish at least 10 outlets or 50 sub outlets with biggest mega shops in the city corporation area Dhaka, CTG, Sylhet, Rajshahi, Khulna asap.
- 3. Customers can buy our products same price from the outlets and online shop.
- 4. We want to export our products Italy, Japan, France, USA.
- 5. Finally we want to see Annex Leather as a brand and quality products name for only 100% original leather products over the world.

Marketing Plan:

- 1. Annex Leather Buyers Group maintain for outside Bangladesh.
- 2. Every Potential Country make country Manager with customers group and get feedback from the customers and solve our problems.
- 3. More than 10 online shop will sell our products like Daraz.com, ajkerdeal.com, labane.com, shoparu.com, Prioshop.com and more than 10 facebook pages continue boosting our product separate name to knock potential Buyers. If we get sustainable export oriented buyer than we will stop all local Production from our factory.

4. Conclusion:

Finally we want to say that Annex Leather Limited have strong management team and 8 years experience in the leather sector. If we ensured good quality to our Buyer hope we will be beneficiary both party. If we calculate with our present position. Within short time will be a biggest company in the Bangladesh. We hope that in this initiative more people will be employed. We make eco friendly products and make sustainable ecology for the next generation.
